

TRANSFORM 66 *Outside the Beltway*

I-66 Outside the Beltway Project Lane Closures and Traffic Changes Week of October 11, 2020

What's Happening

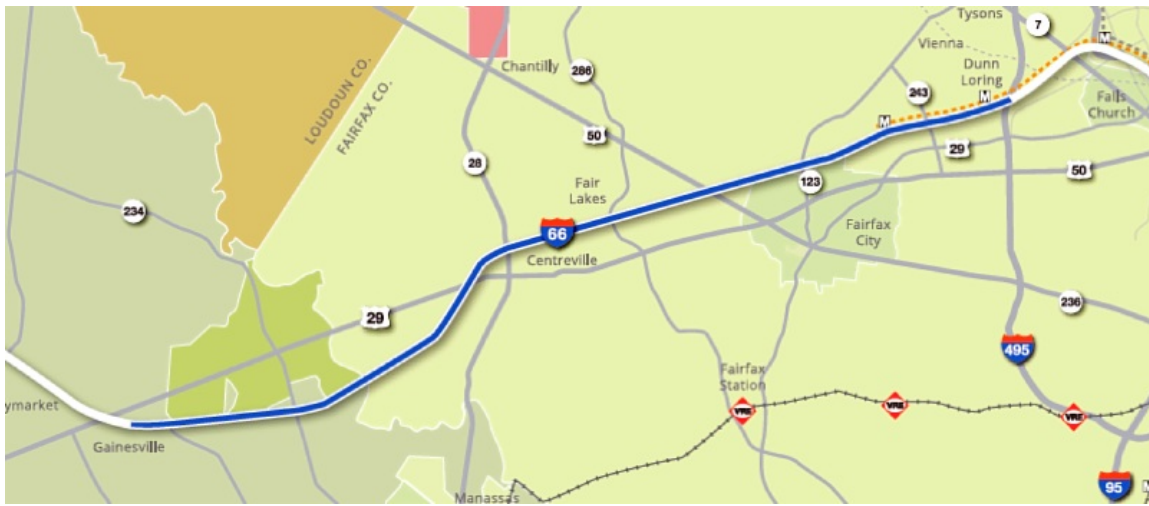

[Transform 66 Outside the Beltway Project](#) construction continues throughout the corridor during [daytime and overnight hours](#) as weather conditions allow.

Significant upcoming traffic impacts include:

- There will be overnight closures of the ramp from Route 29 (Lee Highway) Centreville to I-66 East (October 13-16), I-66 East to Route 29 Centreville (October 13-16), and I-66 West to Nutley Street northbound (October 13-17). [Details](#)
- Prosperity Avenue eastbound will close between Dorr Avenue and Merrilee Drive for about four weeks (through November 9) beginning October 12 for underground utility work. The sidewalk will also be closed. Detours will be posted. [Details](#)

Current activities include:

- Paving on I-66 East and West in Prince William County and Centreville, and on I-66 East and West in Vienna
- Constructing bridge foundations at Route 28, Stringfellow Road, Route 50, Jermantown Road, Route 123 (Chain Bridge Road), and I-495
- Small charge dynamite operations along Braddock Road near Route 28, I-66 East and West near Route 28, and I-66 East and West near Groveton Road in Manassas
- Bridge deck work for expanded bridges over Compton Road, Cub Run, Bull Run, and Route 29 Centreville
- Bridge deck work for new bridges at Braddock Road/Walney Road over Route 28, and Waples Mill Road, Route 123, Vaden Drive, Cedar Lane, Gallows Road, and I-495 bridges over I-66
- Relocating underground utilities along I-66 East and West
- Constructing retaining walls along I-66 and Route 28
- Corridor-wide roadway maintenance as needed

The Transform 66 Outside the Beltway Project will add express lanes stretching 22.5 miles from the Capital Beltway to Route 29 in Gainesville, rebuild major interchanges along the I-66 corridor, create thousands of new park and ride spaces, and expand trail options for cyclists and pedestrians.
